

# PIG® Universal Mat

MAT203 Heavyweight, 38cm x 51cm, 100 pads

Lasts 2X longer than ordinary mats so it requires fewer change-outs. Save money with the mat that absorbs anything and works anywhere!

- Lasts 2X longer than ordinary mats, absorbs everything, works everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fibre construction won't leave liquids or fibre residue behind
- Absorbs and retains oils, coolants, solvents and water
- Dark grey colour hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat whilst on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Pads are ideal for catching drips and soaking up spills
- Easy-tear perforations let you take only what you need so you use less mat and save money
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups
