Description

- Packed with a selection of universal socks, mat pads and pillows to help efficiently manage, contain and absorb medium-to-large-sized spills of oils, coolants, solvents and water
- Brightly coloured container is highly visible, making it easy to identify during spill emergencies
- Integrated handle and 200mm dia wheels with rubber tyres make this kit extremely easy to manoeuvre to spill site
- Hinged lid and organised absorbents help you respond quickly and efficiently to spills
- Durable polyethylene container helps keep kit contents clean and dry to ensure maximum product performance in use
