

SAFE-T

STPU5110D

PU Palm Coated

Features

-4X43D

-13 Gauge palm coated cut level D glove.

-Produced from High Performance Polyethylene (HPPE), spandex, nylon and glass fibres.

The PU coating provided on the glove is highly resistant to abrasion and will not break down when in contact with oils.

The cut level D protection glove is uncoated on the back to provide breath-ability and comfort, whilst the longer elasticated cuffs offer wrist protection.
